"Paving the Way to Fiscal Health"

By Congressman Allen Boyd (D-FL)

Over the past six years, responsible budgeting has been almost nonexistent under Republican leadership.

Our federal budget should be a statement of our priorities and demonstrate our commitment to defend our

First, this budget does what no other has done in the last six years-it enforces strong budgetary guidelines.

Second, the budget provides adequate funding for our government's number one priority-the defense of our

Third, the Congressional Budget Resolution does not raise taxes. It leaves current tax cuts in place and

Under PAYGO rules, extensions of tax cuts, like all other policies, must be paid for and cannot be financed

Lastly, our budget controls spending levels and actually shrinks the size of our government as a percent of

The Congressional Budget Resolution will bring the budget back to balance within five years, while also

After six years of irresponsible fiscal policies that yielded record deficits and mounting debt, correcting the
